

QuickBooks® Assisted Payroll Complete Payroll

The only No Penalties Guaranteed payroll service you can fully manage from within QuickBooks.

Now you can get the control and convenience of managing your own payroll right from within QuickBooks, combined with the peace of mind of our No Penalties Guarantee and our time saving tax filing and payment features.

For many business owners, their size, growth, or demands on their time make it smart to look at outsourcing their payroll. However, many of them don't need or want to outsource everything. They still want to manage some payroll functions themselves, but want to save time in processing and want assurance it is done correctly. In addition, many business owners are looking for more flexibility than some traditional outsource solutions offer.

Intuit Payroll Services meets your needs with the QuickBooks Assisted Payroll Service. Now your business can:

- Have the convenience and control of being able to fully manage your payroll from within QuickBooks. No separate, added cost software required.
- Have the flexibility of being able to run payroll when you want and see the resulting gross to net amounts prior to processing. No more set call-in times, call backs, etc.
- Save time, hassles, by having Assisted Payroll file all needed State and Federal payroll tax forms and payments for you.
- Print paychecks right from your desktop printer at your convenience and/or offer your employees the security and convenience of our Direct Deposit service.
- Never have to re-enter your payroll data since it is already in QuickBooks.
- Enjoy peace of mind, and avoid penalties with our "No Penalties Guarantee."* One third of all businesses pay penalties each year.
- Leave printing and filing of W-2 forms to us. We'll prepare, print, and mail W-2s for all your employees directly to your company.
- Have access anytime you want to detailed payroll reports, right from within QuickBooks.
- Try risk free with our 100% Satisfaction guarantee. If you aren't 100% satisfied, we'll refund 100% of your setup and transaction fees.**

* If the data you supply is accurate and on time, and your account is sufficiently funded, your payroll tax deposits and filings will be made on time and accurate or we'll pay the resulting payroll tax penalty.

** Based on 10 employees, paid biweekly. Includes W-2 and year-end processing fees, but does not include applicable setup fees. Prices vary depending on the service you choose, number of employees, frequency of payroll and the number of states in which you file payroll taxes. Nominal additional fees apply for Direct Deposit. Internet access required. Terms, conditions, pricing, features and service options subject to change. QuickBooks 2002 or later, EIN, subscription, and internet access required. Additional fees apply
